

“METTLE” PEG BOARD

**You are not ordinary.....
your tools and equipment are not ordinary....**

WHY USE AN ORDINARY PEG BOARD?

Accepts
Standard
Peg Board
Hooks!!

Engineered and
formed with enough
clearance to mount
to any flat surface.

**This Galvanized metal board has the “METTLE” to
hold up.**

**If good is not good enough.....this
“METTLE” PEG BOARD IS FOR YOU!**
