

Wire Form Fabrication

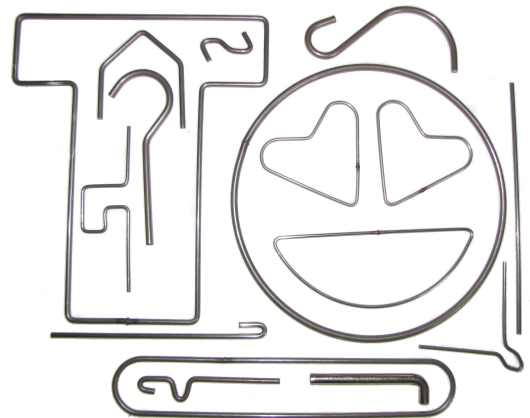

Form ~ Weld ~ All Automatic

- ~ Steel, galvanized, stainless
- ~ Automatic butt welding
- ~ 2D CNC wire forming
- ~ Spot welding
- ~ Wire ~dia. range .080" - .312"
- ~ Max. frame size 60" x60"

**NO TOOLING CHARGES
QUICK TURN AROUND
FOR MOST JOBS**

Wire Form Capabilities

Wire Forming

Ultimation Machine UMW-65
2-D CNC wire forming with automatic welding
Wire Size to 5/16" and frame size to 60" x 60"
Pneumatic table top benders
Di-Acra table top bender

Tube and Pipe Forming

Pines benders
Tube forming to 1.25" diameter
Pipe forming to 2" diameter

Special Forming

WDM tube and angle roller
Pexto 4' plate roller
Wire Flatting Roller Mill

Welding

Spot welders including
Single and multi-head welders
Butt welders
MIG/TIG welders

Misc Shop Equipment

4' Di-Acra press break
Mubea iron worker
Wire nibblers
Vibro finisher
Vertical band saw
Horizontal band saw
Circular steel saw
